

# Hedwig Potter

1: Cut out Hedwig's body

2: Cut out Hedwig's beak and glue it onto Hedwig.

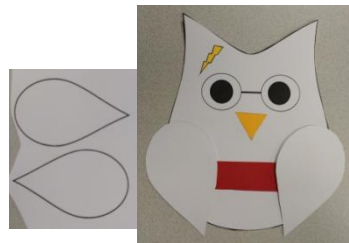

3: Cut out the lightning bolt scar and glue it onto Hedwig.

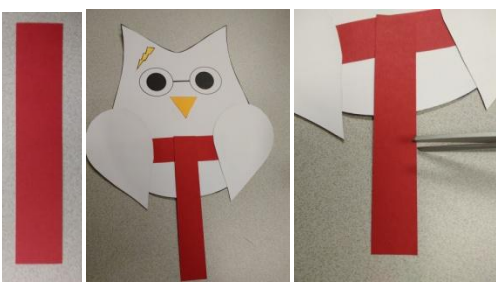

4: Take 1 red rectangle. Place the red rectangle on Hedwig and glue it down.

5: Cut out Hedwig's wings and glue them on to her body. One wing on the left and one wing on the right.

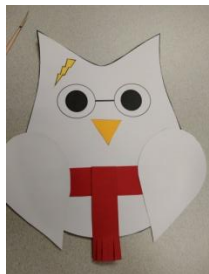

6: Take 1 red rectangle. Place the red rectangle in the middle of Hedwig's scarf. Trim the red rectangle with scissors so that it isn't too long.

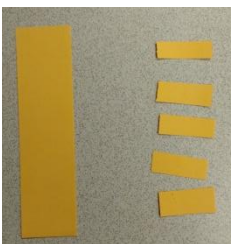

7: Cut small vertical (up and down) strips at the bottom of the red rectangle.

8: Glue the red strip in the middle of the red rectangle on Hedwig's body. You are making a scarf!

9: Take 1 yellow rectangle and cut it into 5 small rectangles.

10: Place the little yellow rectangles onto Hedwig's scarf. When you are happy with how they are placed, glue the yellow rectangles down.

11: Cut out Hedwig's wand. Glue the wand onto Hedwig.
