# WAR Rules

The goal is to be the first player to win all 52 cards

## THE DEAL

The deck is divided evenly, with each player receiving 26 cards, dealt one at a time, face down. Anyone may deal first. Each player places his stack of cards face down, in front of him.

## THE PLAY

- Each player turns up a card at the same time and the player with the higher card takes both cards and puts them, face down, on the bottom of their stack.
- If the cards are the same rank, it is War.
- Each player turns up one card face down and one card face up. The player with the higher cards takes both piles (six cards).
- If the turned-up cards are again the same rank, each player places another card face down and turns another card face up.
- The player with the higher card takes all 10 cards, and so on.

## HOW TO KEEP SCORE

The game ends when one player has won all the cards.
